"We have at Alexandropol in the Caucasus, one orphanage where there are approximately 10,000 homeless children, fatherless or motherless, many of them having no known living relative. Some of them do not even know their own names, or the place of the battle of Gaines' Mill, the captain's services were required to carry an important dispatch, but he could not be found at leadquarters. An orderly, sent to search for him, reported he had been wounded.

APPOMATTOX HARDWARE COMPANY

Let the Wild Cats Alone!

Every now and then somebody calls to ask for our opinion of some get-richquick scheme in which he or she has been asked to invest. For several years past the country has been flooded with bonanzas (?), and many people, to their sorrow, have put money into them.

Occasionally some good but misguided man who has already bought a "wild cat" stock, calls on us seeking information.
We like always to be encouraging, but on such occasions we feel very much as we imagine the doctor does who has to tell his patient the worst.

It is for the reason that there are very bad as well as very good securities that we advise prospective investors in any issue to investigate it thoroughly.

Lumber is Down

Yes, Lumber Is Down-Down to where a farmer can afford to build anything that can be made of lumber even in the face of a low market on farm products.

Lumber Was The Last Great Commodity To Go Up and the first to come down. Today lumber prices are down to where it is hard to see how they can go any

lower when costs are considered. You Farmers Have Reason To Be Disappointed In the returns from last year's crops, but with lumber selling on the present basis we don't believe you can afford not to do whatever building or repairing may be

necessary before Spring work commences. Whether It's a Barn, or a Shed, or Just Some boards for fixing up around the place, the facts about lumber will appeal to any man or woman who believes in thrift

and knows values. Come In and Talk Over Your Particular Problems. We want to be helpful, and we welcome an opportunity to show you.
